Who We Are

About Us:

Havana Glen, a half mile south of the Village of Montour Falls, NY, off Route 14, is one of the most beautiful natural glens in the entire Finger Lakes Region. The Glen, taking its name from the original name of the village, Havana, extends over 40 acres of native wooded area. Still retaining much of its natural state, its scenic streams make it one of nature's most beautiful spots in the southern Finger Lakes area.
